

Special Needs Programming

COMMUNITY CONSULTATION – OPEN HOUSE

Thursday April 19, 2018

BACKGROUND:

- Many adapted programs have been developed and the number of users is growing
- Partners have come forward to participate in a pilot project for transitions out of school
- There is a need to further the general programming options for special needs participants

PROJECT SCHEDULE:

- General information will be compiled and used to help create programs for the upcoming Fall/Winter session
- The afterschool pilot project is anticipated to begin in the fall of 2018 if sufficient interest

TONIGHT'S PURPOSE:

- Gather community input on general needs
 - Comments of days/times that would be most effective
 - Generate interest in the afterschool transitions project
- **Please review the information**
 - **ask questions, make suggestions, let us know your ideas**
- **Please fill in both surveys to help determine the next steps for programming in general and for the pilot afterschool project**
