

JULY 11 UPDATE

Things are pretty quiet at the Club these days. However, there's a lot going on behind the scenes!

1. DAY TRIPS

You can still register for the trip to Penetanguishene to see "**Shear Madness.**" If you haven't seen this play before, it's a unique experience! You will laugh as you've never laughed before! We have until July 26. If we don't fill the bus, we will cancel. You must pay upon registering for the trip. You can pay at the Club or contact Susan Reid directly.

Susan has arranged another great trip for September 24. The flyer with the trip description and the Hot House menu is attached. This one will be a **Historical Tour of Toronto** with historian Bruce Bell. You will learn about the famous buildings and neighbourhoods of Toronto. You will have lunch at the Hot House Café and visit the St. Lawrence market. The deadline to fill the bus is August 23. Again, you need to pay at the Club or make arrangements with Susan.

Susan has been working very hard to fill your requests for more day trips. She has a **Niagara Tour** arranged for November 21 which will include a wine tour, lunch, some casino time and holiday lights viewing. She has a trip arranged for December 11 to go to **Bingeman's** in Kitchener to see the Elvis Holiday show. This one will sell out quickly as this is the only day we can get it. This one includes lunch, the show and fantastic holiday lights. Flyers for these two trips will come shortly.

We're doing our best to respond to your requests for more day trips. Please pass the info along to your friends. Word of mouth advertising is our best way to fill the bus!

2. SNOOKER TABLE

On a totally different note, you'll be glad to hear that the rack for our new snooker table is now hung, complete with cues and balls.

Don Petrie has authored some rules for the game of snooker which we will make available. He has provided a diagram for the placement of the balls for snooker. He has also offered to teach snooker lessons on Wednesday mornings at 10:00am starting in September. We're hoping to form a "ladder" and maybe leagues (ladies, you can do this!) Our hope is that we can provide instruction to anyone who is unfamiliar with snooker or billiards.
