Virtual Workshop – Estate Planning

We are in the process of experiencing the largest wealth transfer in the history of our country as Baby Boomers are aging. Estate planning is probably the most important legal exercise for all of us but there are many examples where it is not looked after, or it is looked after improperly. This is strange since the legal cost to generate proper Wills & Powers of Attorney is generally modest.

Steve Borlak & his son Jesse Borlak practise law in Stouffville & have offered to provide a 1-hour presentation that will deal in summary fashion with Wills, Powers of Attorney, & administration of Estates. They will also include some areas of change dictated by pandemic concerns. Join us for a very informative workshop on estate planning!
