## Hand Sanitizer Permission Release

Campers are requested to wash hands when possible and to use hand sanitizer in the event a washing station is not available. Town facilities provide hand sanitizer for patron use, with a minimum of 60% alcohol content.

Campers can choose to bring their own hand sanitizer, but will be able to use sanitizer provided on site should that be acceptable to the parent.

If you consent to allow your child to use the Town provided hand sanitizer, used as indicated above, please sign the form below.

Thank you for your cooperation.

Town of Whitchurch-Stouffville
