

	<b>Ballantrae/Musselman's Lake and Stouffville Water Distribution Systems</b>	
	<b>Operational Plan Quality Management System Procedure</b>	Page 1 of 1
	Quality Management System Policy	Revision No.: 1
	Approved By: Top Management	Approval Date: November 11, 2015

As the Owners and Operators of the drinking water systems, we are committed to:

- Ensuring a consistent supply of safe, high quality drinking water for our residents and businesses;
- Keeping open communication between Town Council, Staff and the Public concerning matters of drinking water quality;
- Continuous Staff development and training;
- Continuous improvement of the Quality Management System;
- Operation and Maintenance of the water distribution systems to comply with or surpass the requirements of applicable legislation and regulations;
- Maintenance of a Quality Management System that is consistent with this policy.
