

Notice of Windrow Renewal

This notice is to inform you that your annual windrow application requires renewal.
Please find enclosed your renewal application form.

Windrow services begin on **November 19, 2021.**

Kindly drop your completed application off in the secure drop box at the Town Offices,
or if more convenient, mail, fax or email your form back to us.
(mailing, fax & email information can be found on the back of the application form)

Some friendly reminders about the windrow program:

- ✓ The Town reserves the right to determine when the driveway windrow snow cleaning and the plowing and/or sanding of the Town sidewalk may be performed. **Windrow clearing may take place up to 12 hours after the road snow clearing ends.**
- ✓ The center portion (one car width) of the windrow will be cleared at the end of the driveway.
- ✓ The windrow service **does not include** the clearing of the remainder of the snow from private approaches to residence or driveways **or** the windrow left by the sidewalk plow.
- ✓ Obstructions and/or encroachments located on Municipal (Town) property which may interfere with the cleaning of the driveway windrow snow and the plowing/sanding of the Municipal (Town) sidewalk must be removed.
- ✓ The house number must be visible and illuminated.
- ✓ The Town is not responsible for any damage.

Kindly notify the Town if you move during the winter months or no longer qualify for the windrow removal service.

If you have received this notice but have already renewed your windrow service application for winter of 2021-22, please disregard this notice.
