FOR IMMEDIATE RELEASE

November 19, 2021

WINTER PARKING RESTRICTIONS LIFTED FOR THE HOLIDAYS Between December 24-26 and December 31-January 1

STOUFFVILLE, ON - The Town of Stouffville is lifting winter parking restrictions this holiday season from December 24-26 and December 31-January 1. Residents and visitors will not have to obtain parking permits and will not receive parking tickets for 3+ hour and overnight parking during these dates.

This new initiative comes from the Town's By-Law department who is looking to spread some holiday cheer after a hectic and uncertain year.

"We want our residents and visitors to have one less thing to worry about during this busy season," says Municipal Law Enforcement Supervisor, Teresa Hector. "Have your family and friends over safely for the holidays without concern of parking restrictions for guests."

If, however, there is a major snowfall during the given dates, the Town does ask that vehicles be removed from the streets so that snow removal vehicles can safely do their job. The lifted holiday restrictions will become null and void if this situation occurs.

Winter restrictions for on-street parking take effect December 1 until March 31. On typical days, the restrictions prohibit all on-street parking between the hours of 2 a.m. and 6 a.m. Vehicles violating the Town's parking By-Law may be ticketed, with fines beginning at \$50.

For more information about parking by-laws, parking permits and encroachments, visit the Town's website townofws.ca/parking.
