TOWN TO REVIVE STOUFFVILLE TOASTMASTERS CLUB **Organization helps foster communication and leadership skills**

WHITCHURCH-STOUFFVILLE, ON – The Town of Whitchurch-Stouffville is pleased to announce the revival of the Stouffville Toastmasters Club. The Club will serve as a cooperative development opportunity between the Town and members of the public.

“We are very excited to resurrect the Stouffville Toastmasters Club,” said Brian Parrott, Town Director of Finance and Corporate Sponsor of the Club. “While the Town will support the club, it is still public and open to all members of the community.”

The previous Stouffville Toastmasters Club disbanded late last year.

“Toastmasters will help you foster your skills in public speaking and presentation mastery, motivation, leadership, coaching, team leadership and communication,” Parrott said. “Practice is a key success factor, and Toastmasters practice regularly in a positive and supportive environment.”

Toastmasters International is a world leader in communication and leadership development. Members improve their speaking and leadership skills by attending one of the 16,400 clubs in 141 countries that make up the global network of meeting locations. The organization has more than 352,000 memberships.

The first meeting for the new Stouffville Toastmasters Club is 7:00 p.m., June 14 in the Stouffville Room at Whitchurch-Stouffville Town Hall, 111 Sandiford Drive. The first meeting will be for informational purposes and will demonstrate a shorter Toastmasters meeting. The second meeting will occur June 28. Everyone is welcome.

“The world needs leaders. Leaders head families, coach teams, run businesses and mentor others. These leaders must not only accomplish, they must communicate. Toastmasters gives us the opportunity to learn, practice and achieve,” Parrott said.
