TOWN LAUNCHES VIRTUAL TOWN HALL

WHITCHURCH-STOUFFVILLE, ON – The Town of Whitchurch-Stouffville has launched a new online service to make your life a little easier when handling municipal services like paying taxes and more.

Approved in the 2020 Capital Budget the Virtual Town Hall tool will allow residents and property owners to use debit or credit cards to pay taxes. They will also be able to view bills and past transactions. Other features include viewing assessment values, enrolling in e-billing or a Pre-Authorized-Payment-Plan and a number of other services.

Enrolling is easy when using the detailed instruction manual. Both property owners and law firms can make accounts and utilize the service.

The Town recognizes that coming into pay bills with everyone's busy lives is not always convenient and many would prefer to do it from home. This tool was created with residents convenience in mind to provide the highest level of customer service possible.
