

Whitchurch-Stouffville Public Library to begin Summer Reading Club

Whitchurch-Stouffville, ON, June 14, 2020– The 2020 TD Summer Reading Club at the Whitchurch-Stouffville Public Library will kick off on Saturday, June 20. The TD Summer Reading Club is Canada’s biggest, bilingual summer reading program for children of all ages, all interests and all abilities. Sponsored locally by Tiny Seedlings, this year’s theme is sports.

With the realities of COVID-19, the Whitchurch-Stouffville Public Library has made changes to keep all of our customers safe while participating in the Summer Reading Club and will be held entirely online only this year. The library will be using a software program and mobile app called Beanstack to keep track of all of our readers, their participation, and successes this summer.

“We are delighted to have children participate virtually in the Summer Reading Club,” says Margaret Wallace, WSPL Chief Executive Officer. “The club is designed to inspire children to explore the fun of reading their way- the key to building a lifelong love of reading.”

As children read throughout the summer they can record their time read each day, complete challenges, make crafts, join virtual programming, and provide book reviews on books they have read. Each of these activities enable children to earn tickets that will include them in weekly prize draws.
