

Future state of York Durham Line and Tenth Line intersection

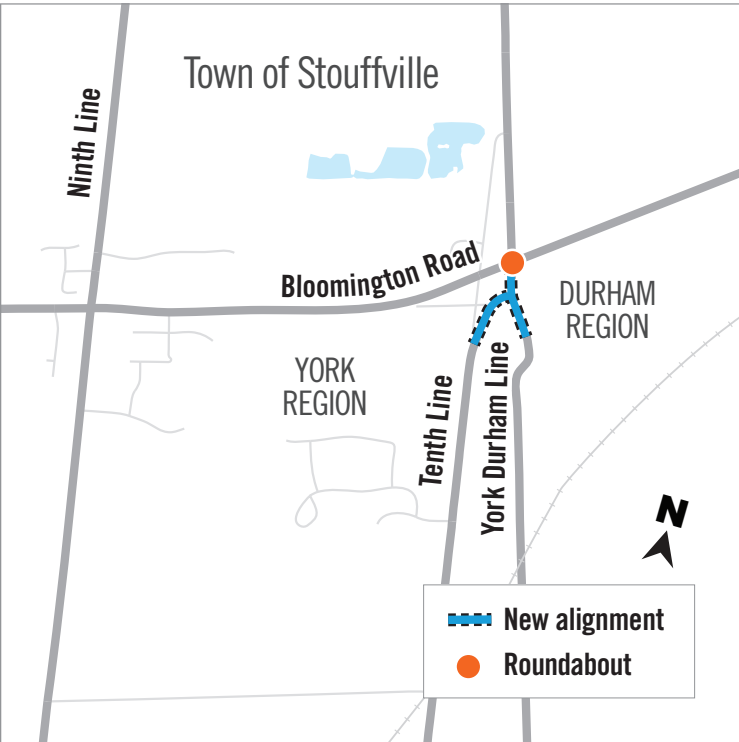

Future state of York Durham Line and Bloomington Road intersection

Notice of Road Construction

York Region is building a roundabout at the intersection of Bloomington Road and York Durham Line in the Town of Stouffville to improve traffic operations and safety.

Project features and benefits

- **Reconstruction** – changing the intersection from traffic signals to a roundabout
- **Connectivity** – realigning Tenth Line and York Durham Line

Duration

Fall 2026 to end of 2027.

As with all construction projects, work may be rescheduled due to weather. York Region will provide advance notice where possible.

Traffic impacts

- Lane reductions outside of peak travel times
- Night and weekend work as required
- Access will be maintained for all driveways/entrances

For updates, follow @YorkRegionGovt on social media. Use navigation tools to plan your commute.

Thank you for your patience

We understand construction creates challenges for the community and will work to deliver this project with minimal disruption.
