NINETEEN ON THE PARK THEATRE

19 on the Park Theatre is a unique combination of an arts centre and a historic landmark. Constructed in 1896, the building originally consisted of a marketplace on the main floor and a public hall on the upper floor. Over the years the facility was used as a bowling alley, movie theatre and Town Hall. After an extensive restoration, 19 on the Park reopened its doors on May 9, 2009 as Stouffville's premier arts and entertainment facility.
