### WHY Stouffville:

Working for the Town of Stouffville means being a part of one of HRD Canada's Best Places to Work. Here, we foster a sense of belonging as a tightknit workforce. The Town is dedicated to supporting its employees, by providing competitive compensation, OMERS Pension, employer funded benefits, paid vacation, sick time, EAP and flexible work arrangements, to help you prioritize what matters most.

Join a dedicated team that keeps our community facilities running smoothly and safely. As a Facility Labourer, you'll play a hands-on role in maintaining recreational spaces, supporting events, and ensuring a clean, welcoming environment for all patrons. Enjoy a dynamic work environment with opportunities to contribute to community life while building your skills in facility operations and customer service.

We are committed to being an equal opportunity employer, supportive of an inclusive, barrier-free recruitment and selection process and as we grow, it's important that our workforce reflect the citizens we serve. At the Town, we respect, encourage, and celebrate our diversity. If contacted for an employment opportunity, please advise if you require accommodation.

### Position Purpose:

The Facility Labourer is responsible for performing facility cleaning and minor maintenance as well as assisting with room set-ups and take downs.

Assists with basic maintenance and repair tasks for refrigeration plants and related facilities at Town recreational buildings. Responsibilities include supporting ice-making, water testing, equipment inspection, minor repairs, and maintaining cleanliness. Help with customer service tasks such as addressing complaints and following up on requests. Maintain daily logs and records and ensure orderly conduct of patrons during assigned shifts on weeknights and weekends as needed. May also assist with festivals, special events, and tournaments.

### Qualifications and Requirements:

- Secondary School Diploma
- Experience in arenas and swimming pool plant operations and building maintenance an asset.
- Knowledge of facilities maintenance and operations.
- Working knowledge of the operation of refrigeration and HVAC plant, pool filtration systems, ice-making and flooding methods, water quality testing and balancing techniques, janitorial/cleaning work methods and supplies and sound safety practices

- Good organization, interpersonal, record-keeping and problem-solving skills.
- Ability to deal courteously and effectively with the general public, facility users, staff, suppliers and contract services.
- Current First Aid and CPR certification an asset.
- Class “G” Driver’s License in good standing and reliable vehicle to use on corporate business.
- Availability to work rotating shifts including evenings and weekends
