NOTICE OF OPEN HOUSE #2 Musselman's Lake Community – Ninth Line Visioning

We're excited to share updates on the Musselman's Lake Community – Ninth Line Visioning project. We've received a strong response from the Community since the Open House #1 in June and we are pleased to provide a summary of what we've heard along with what our next steps will be. We want your feedback as we continue to shape this important discussion.

Project Overview:

The Town of Stouffville and York Region have teamed up to study the future of Ninth Line through the Musselman's Lake area — community engagement and long-term planning is at the heart of it. While early conversations began back in 2018, progress was paused due to the COVID-19 pandemic. The Town and Region are moving forward to study options intended to improve Ninth Line for all travelers.

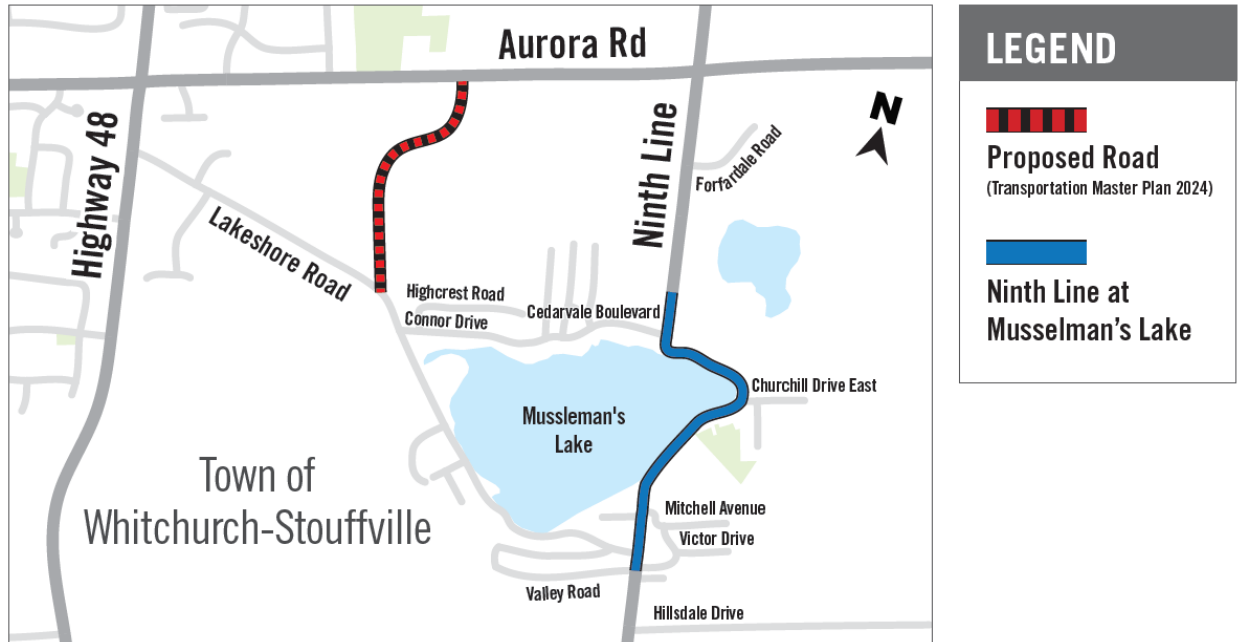

Open House Details:

- **Format:** In-person event.
- **Purpose:** To engage the community, share Community feedback, present the project's next steps, and gather valuable feedback.

We encourage everyone to attend and share your insights, as your voice is essential to shaping the future of the Community.

For more information, please visit our webpage or contact the Town's project team directly.

Date: Tuesday, November 4, 2025
Time: 7:00 PM to 9:00 PM
Location: Ballantrae Community Centre, 5592 Aurora Road
Website: townofws.ca/ninthlinevision

COMMUNITY FEEDBACK:

We want to hear from you! Share your thoughts with the project team at the Open House, through the project webpage, or by contacting the project team directly. If you have any questions, please get in touch with our project team.
