53RD ANNUAL
Antique & Classic
CAR SHOW

PARKING: To ensure the safest event possible, there have been some updates to the parking layout. Event Team members will be on site to assist you with entry and exit. Once parked, vehicles are not permitted to idle in place.

ENTRY INSTRUCTIONS: Exhibitor vehicles may enter through the North Gate or South Gate. The North Gate is located on the northern edge of the Museum property. This lane is only wide enough for one car at a time. Event Team members will assist you; please follow their directions. Vehicles entering from the North Gate will park on the north side of the creek.

Exhibitor vehicles will also be able to enter through the South Gate. As a reminder, the entrance to the Park itself has changed. You will enter the Vandorf Park parking lot as in the past. You will then be directed to the new entrance. Please be aware that due to safety concerns, some areas are now off-limits for cars. Please come prepared to be directed to a new area. We thank you in advance for adapting along with us. Once the South Gate parking areas are full, drivers will be directed to enter from the North Gate.

EXIT INSTRUCTIONS: The event ends at 4:00 pm. We ask that you remain parked in place until that time. If it's required that you leave the site ahead of the 4:00 pm end time, Event Team members will guide you off-site. Please ensure you follow the directional signage, including arrows indicating one-way direction.
