WHY Stouffville:

Working for the Town of Stouffville means being a part of a tight knit workforce, where we foster a sense of belonging. The Town is dedicated to supporting its employees, by providing competitive compensation, employer funded benefits, paid vacation, sick time, EAP and flexible work arrangements, to help you prioritize what matters most.

Take this exciting opportunity to join a progressive and collaborative team focused on continuous improvement, innovation, and customer service excellence. This role truly has the ability to make a positive difference in our rapidly growing community. We look forward to welcoming a leader with excellent problem-solving skills who is willing to rise to the occasion, as we manage the development and growth of the water and wastewater infrastructure and waste management programs across the Town of Stouffville.

We are committed to being an equal opportunity employer, supportive of an inclusive, barrier-free recruitment and selection process and as we grow, it's important that our workforce reflect the citizens we serve. At the Town, we respect, encourage, and celebrate our diversity. If contacted for an employment opportunity, please advise if you require accommodation.

Position Purpose:

Reporting to the Director of Public Works, the Manager, Environmental Services is responsible for managing environmental services in the Operations Division encompassing water/wastewater and waste management. Key duties include developing, implementing, and managing operations/maintenance projects related to water, wastewater infrastructure and waste management.

Qualifications and Requirements:

- Diploma or Degree in Civil Engineering, Environmental Science or similar.
- Certified Engineering Technologist (C.E.T.) designation with OACETT or Licensed Professional Engineer (P.Eng).
- Class 'G' Driver's License in good standing.
- Ontario Ministry of Environment licenses Water Distribution Class 1 and Wastewater Collection Class 1 preferred.
- Five or more years of experience in developing, implementing and managing municipal capital, operations and maintenance programs relating to water/wastewater, and waste management.
- Working knowledge of the following provincial legislation and applicable regulations:
 - Safe Drinking Water Act;
 - Ontario Water Resources Act;
 - Occupational Health and Safety Act;
 - Highway Traffic Act;
 - Employment Standards Act;
 - Labour Relations Act.
- Computer proficiency utilizing word processing and spreadsheet software, internet, e-mail and work order systems.

How to apply:

Please forward your resume in confidence by **June 12, 2023, at 4:30 p.m.**, identifying **Job # 2023-059-IE** in the subject line to hr@townofws.ca.

We thank all applicants for their interest in this position, however, only those applicants selected for an interview will be contacted.
