CONSTRUCTION NOTICE: AURORA ROAD SIDEWALK (BALLANTRAE GATES TO MCMULLEN DRIVE)

Project update:

Please be advised that the Town of Whitchurch-Stouffville has awarded the Aurora Road Sidewalk (Ballantrae Gates to McMullen Drive) tender to **Quality Property Services, Ltd. (QPS)**. The work consists of the installation of asphalt and concrete sidewalk, including associated grading and drainage works over a length of approximately 170m. Work is expected to begin during Spring 2025 and is anticipated to continue for the remainder of the construction season. The work will extend from the Aurora Road entrance to Ballantrae Gates Shopping Plaza to McMullen Drive.

What's next:

Preparing the area for construction will begin in March 2025. Excavation, grading, drainage works, and sidewalk construction will begin when favourable weather permits.

Additionally, the Town has retained the services of WSP Canada Inc. to provide site inspection and contract administration services once construction activities commence.

A project website will be established at <https://cometogetherws.ca/ballantraesw>.

What residents can expect:

Locators from each buried infrastructure owner will come out to locate the buried lines and cables so that the contractor can work safely. Any planned disruptions to driveways access or Town services will be communicated in advance. Please label your trash and recycling containers as the Contractor may be required to move these containers once work is underway. The Town is not responsible for damage or loss to privately-owned appurtenances located within the public road right-of-way. Please ensure that any such appurtenances are removed prior to construction. Appropriate traffic control measures will be in place, as required, during the project.

The Town appreciates your cooperation and patience during this construction period.
