NOTICE

Date: November 10, 2026

DOWNTOWN REVITALIZATION PROJECT NOTICE:
Night Work & Traffic Impacts - Park Dr. & Main St. Intersection

ATTENTION: Residents and Business Owners

The Town's contractor, Rabcon Contractors Ltd., will be carrying out work at the intersection of Park Drive and Main Street. The night work is scheduled from November 11 to November 21, 2026, excluding Saturday and Sunday night. Work will take place from 7:00 p.m. to 7:00 a.m.

WORK PERIOD: November 11th to 21st, 2026
WORK HOURS: 7:00 p.m. to 7:00 a.m.

Traffic and access impacts:

- Main Street will remain open to east-west traffic, with one lane maintained under the current traffic arrangement and controlled by flaggers and police.
- Park Drive will be closed to through traffic from Main Street, North and South. Local and emergency access only will be permitted, with access via Tindale Road from the north and Booth Drive or Burkholder Street from the south.
- Traffic Control measures will be in place to help maintain a safe environment for motorists, pedestrians, residents, businesses and construction workers.

Construction Impacts:

- Noise: Residents and businesses in the surrounding area may experience increased noise associated with construction activities and equipment operating during overnight working hours.
- Temporary lighting: Temporary construction lighting will be required to facilitate the overnight work. Lights will be directed downward, to the extent possible, to minimize light spilling toward nearby homes and businesses and reduce disruption.

Construction Updates:

For project updates, visit **townofws.ca/downtown** or subscribe to the Downtown Revitalization eNewsletter to receive updates directly by email.

We appreciate your patience and understanding as this work is completed. We apologize for any inconvenience.
