Behaviour Guidelines

The Town of Stouffville is committed to ensuring a safe and inviting environment for all participants in our recreation programs, including summer camps. Parents/guardians will be notified if behaviour expectations are not being met and will be asked to help create an action plan to address the behaviour(s). Serious behaviours are classified as those that compromise the immediate safety of oneself, staff, volunteers, and other participants. These will require immediate action from camp staff to ensure the safety and quality of programs provided.

Inclement Weather & Heat Alerts

All camps will continue during inclement weather and heat alerts, however activities may be modified to be low-energy, and outdoor activities will take place in the shade whenever possible, to limit campers' exposure to the sun. Additional water breaks will also be added. Please dress your campers appropriately for the weather.
